### **Introduction**

At the Chalfont St Giles Schools we believe that the children will feel part of the school family, and have a greater sense of 'belonging', if they are dressed in a uniform of which they are proud. Children attending the schools have to wear school uniform. The school colours are green, grey and white.

### **Aims**

Our policy on school uniform is based on the principles that school uniform:

- Promotes a sense of pride in the school;
- Engenders a sense of community and belonging towards the school;
- Is practical and smart;
- Identifies the children with the school;
- Makes children feel equal to their peers in terms of appearance;
- Is regarded as suitable wear for school and good value for money by most parents;
- Is designed with health and safety in mind.

### **The role of the governors**

The governing body supports the headteacher in implementing the school uniform policy. It considers all representations from parents regarding the uniform policy and liaises with the headteacher to ensure that the policy is implemented fairly and with sensitivity.

It is the governors' responsibility to ensure that the school uniform meets all regulations concerning equal opportunities. Governors ensure that the school uniform policy helps children to dress sensibly, in clothing that is hardwearing, safe and practical.

### **Monitoring and review**

The governing body monitors and reviews the school uniform policy through its committee work by:

- Seeking the views of parents, to ensure that they agree with and support the policy;
- Considering, with the headteacher, any requests from parents for individual children to have special dispensation with regard to school uniform;
- Requiring the headteacher to report to the governors on the way the school uniform policy is implemented.
