CHALFONT ST GILES VILLAGE SCHOOL SCHOOL CYCLE PARKING PERMIT – 2025/2026

Cycling to School

Chalfont St Giles Village School supports pupils who wish to walk or cycle to school since it improves their health and fitness, reduces traffic outside the school making conditions safer for everyone and benefits their general development. If your son/daughter is in Year 5 or Year 6, has completed Bikeability Level 2 cycle training, and you wish them to cycle to school, please complete the form below. It is important that we know the numbers of children cycling to school even on an irregular basis in order that we can make appropriate security and safety arrangements.

While we wish to encourage an increase in the number of pupils cycling to school, the decision as to whether your child is competent to negotiate such hazards as may present themselves on the route from home to school and back must be yours and yours alone. Chalfont St Giles Village School does not accept liability for any consequences of that decision.

Parents are advised to take out appropriate insurance cover as the school's insurance does not cover loss or damage to bicycles.

Cycle Helmets

Pupils should wear a correctly fitted cycle helmet and use appropriate reflective clothing and bike lights when visibility is poor.

Conditions for Cycling to School

1. All bicycles must be in a roadworthy condition.
2. Cyclists must ride sensibly and follow the Highway Code.
3. Approved cycle training must have been undertaken, where available.
4. All bicycles must be locked securely in the approved cycle parking area.
5. Bicycles are not to be ridden on the school grounds

Chalfont St Giles Village School reserves the right to revoke this permit in the event that these conditions are ignored.
