

Bikeability Training Level 2 for years 5&6

5th March 2026

Dear Parent/Carers,

Great news! We will be coming to your school to do Bikeability training with your children in Year 5 and Year 6. Places are limited to 24 for our school and are for children who have not already completed Level 2 Bikeability training.

Our training will take place at/around school on the Tuesday 26th and Wednesday 27th May 2026. This training is partially funded by Buckinghamshire Council

The Bikeability Level 2 course is progressive. It aims to improve rider's skills and confidence for cycling on local roads and simple junctions without too much traffic.

As part of the course, we cover Bikeability Level 1 fundamentals which ensures your child is safe to ride on the roads. All the riders will have to show the instructors they can do everything at the Bikeability Level 1 **before** they can go on the roads.

For the safety of your child this is a compulsory requirement and without these skills we cannot take them onto the road. To avoid disappointment, we advise making sure your child is able to signal confidently, using one hand to steer the bike without wobbling.

Each child will require a roadworthy bike, a helmet, suitable clothing for spending up to 90 minutes riding a bike outside (e.g. A shower-proof coat if it is going to rain, gloves if cold) and secure flat shoes/trainers, water, other personal requirement e.g. Medication needs, sun cream, inhaler.

Roadworthy condition means both brakes are fully working, tyres pumped up, gears (if present) operate as designed, chain properly lubricated.

The cost of the course is £10 per child - Please note this £10 fee is non-refundable.

Payment can be made on ParentPay and a payment item will be set up once consent has been given and your child has been signed up for a place.
