## CHALFONT ST GILES VILLAGE SCHOOL PARENTS' AND CARERS' PARKING PROMISE

*Parking too near school puts our children in danger*

The areas outside our school sites are busy in the morning and at the end of the school day. Parents who park close to entrances, on double yellow lines, or on the pavements act irresponsibly and place children in danger.

Using the car less would greatly reduce this danger

In addition, walking to school or parking and walking will:

- ☺ Help keep children fit and healthy
- ☺ Develop road safety skills
- ☺ Reduce car emissions
- ☺ Make children more aware of their environment

To help us, please complete the tear-off slip below. By returning this you are agreeing to avoid driving in School Lane, Silver Hill, Albion Road, Parsonage Road, Lagger Close and Hillside Close. See our Safe Zone map over the page or look at our School Travel Planning page under Key Information on the school website.

We request that parents do not park in any of the streets near the school and avoid blocking pavements at all times, wherever you may be parked, so that small children and people with buggies are safely able to use the pavements.

**Parking permits** – in conjunction with the local council we have a School Parking Permit scheme. These Permits enable parents to park in the Blizzard Yard car park (behind the Co-Op in the village) at drop off and pick up times – one permit is available per family at our school. Please use the form below to request a Parking Permit or email the School Office.

Thank you
