Dear Parents and Carers,

Re: **Increase in Price of Hot School Meals from September 2026**

As you are aware, the school offers hot school meals which are provided through a contract with St Joseph's Hub kitchen. This service continues to provide our children with high-quality, nutritious meals, and the school regularly monitors both quality and portion sizes to ensure families receive good value for money.

The Hub Kitchen has announced an increase in their meal charges from September 2026 due to many factors e.g. increased costs of food supplies including energy and staffing costs. Therefore, the school will have to increase the meal charges from September 2026 to £3.20p.

We appreciate that this represents an increase of 22p per meal. However, without this adjustment, the school would be unable to maintain the provision of hot meals. For a child taking meals five days a week, this increase amounts to £1.10 per week.

The school has reviewed the charges for hot meal provision at other local schools and can confirm that our new price remains in line with those charged elsewhere. We believe that the meals provided continue to represent excellent value for money, offering children a nutritious and balanced lunch each day.

We hope that you will continue to support this valuable service.

If you have any queries, please contact the school Office.

Yours sincerely,

Mr A Haywood
Headteacher
